## **Mardi Gras Celebration at Messy Church**

***How Do We Get  
Real With God?***

**Date: Sat. Feb. 21**  
**Time: 4:30pm to 6pm**

## **.....By Taking Off Our Masks**

Join us for a Mardi Gras celebration as we kick off the season of Lent - a forty-day adventure that prepares us for Easter.

Lent is a time when our efforts are meant to draw us closer to God. Through prayer, humbling ourselves, and taking off our masks, it becomes easier to see God's grace working in our lives every day.

God's grace is overwhelming. He offers us love, peace, wholeness, harmony, wisdom, joy, and eternal life. When we reveal our true selves to God, we begin a life transforming relationship.

This year, Emmanuel Anglican church will be kicking off the season of Lent with a family-oriented celebration that is part of our Messy Church program.

## **Messy Church**

Messy church is a fun, laid-back event intended for families within the community regardless of whether or not you attend church. Every event has a special craft, music, supper, and a 10-minute discussion on a relevant topic.

Check out our next event as we celebrate, in Mardi Gras style, the beginning of Lent:

**Saturday, February 21  
4:30 to 6:00 pm**

At this event, children and their parents will have the opportunity to create face masks. Let your imaginations go wild! You will enjoy a pancake supper - come and discover...why pancakes? All our fun and enjoyment will be related to a brief discussion on how to get real with God by taking off our masks.
